Accountant's Audit Report

Dear the Board of Directors and Shareholders of De Licacy Industrial Co., Ltd.

Opinion

We have audited the accompanying financial statements of De Licacy Industrial Co., Ltd (the “De Licacy Group”), which comprise the individual balance sheets as of December 31, 2020 and 2019, and the individual statements of comprehensive income, individual statements of changes in equity and individual statements of cash flows for the years then ended, and the notes to the individual financial statements, including a summary of significant accounting policies.

In our opinion, which is based on our and other accountants’ auditing results (please refer other matters section) and accompanying financial statements present fairly, in all material respects, the financial position of the De Licacy Group as of December 31, 2020 and 2019, and its financial performance and its cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and International Financial Reporting Standards (“IFRS”), International Accounting Standards (“IAS”), Interpretations of IFRS (“IFRIC”), and Interpretations of IAS (“SIC”) endorsed by the Financial Supervisory Commission (“FSC”) of Taiwan, the Republic of China (“ROC”).

Basis of Opinion

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and auditing standards generally accepted in the ROC. Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Corporation in accordance with The Norm of Professional Ethics for Certified Public Accountant of the ROC, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matter

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the year ended December 31, 2020. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. The descriptions of the key audit matter of the 2020 individual financial statements of the De Licacy Group are as follows:

As stated in Note 4-5 Inventories, Note 5 inventory obsolescence loss and Note 11 Inventories to the individual financial Statements, De Licacy inventories amounted to NT\$1,371,756,000 as of December 31, 2020, which accounted for 10% of the total individual assets.

Due to the book value of inventory is significant to the overall individual financial reports, and the evaluation of dull and obsolete inventory involves significant judgment of the management, the evaluation of dull inventory is listed as a key audit item.

The accountants’ reasonable assessment of obsolete inventory is as follows:

1. Understand and evaluate the effectiveness of the design and implementation of the internal inventory control system.
2. Assess the year-and the inventory age, verify the accuracy of the inventory age classification, and then recalculate if it should include loss of obsolete inventory
3. Conduct stocktake at the end of the year and confirm and assess whether the stock is out of date or damaged.

Other Matters

The financial statements included in the individual financial statements of Deloitte Touche Tohmatsu, Inc. and its investee company. Accordingly, our opinion on the individual financial statements referred to above, which relates to the amount of the aforementioned investment and its comprehensive income and loss, was based on the audited reports of other auditors. The above investments accounted for by the equity method amounted to \$46,459,000 and \$96,773,000 as of December 31, 2020 and 2019 respectively, representing less than 1% and 1% of the total individual assets. The individual loss recognized under the equity method amounted to \$50,314,000 and \$28,489,000 for the years ended December 31, 2020 and 2019, respectively, which accounted for (21%) and (6%) of the individual total profit or loss.

Management's and Governance's Responsibility for the Individual Financial Statements

Management's responsibility is to prepare individual financial statements in conformity with the Guidelines Governing the Preparation of Financial Reports by Securities Issuers and International Financial Reporting Standards, International Accounting Standards, and Interpretations and Interpretations issued by the Financial Supervisory Commission, and to maintain such internal control relevant to the preparation of individual financial statements as is necessary to enable the preparation of individual financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the individual financial statements, management's responsibility also includes assessing the ability of the Group to continue as a going concern, the disclosure of related matters, and the adoption of the going concern basis of accounting, unless management intends to liquidate the Group or cease operations, or there is no practical alternative to liquidation or discontinuation of operations.

The governance unit (Audit Committee) of the Group has the responsibility for overseeing the financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the ROC will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit performed in accordance with auditing standards generally accepted in the ROC, we exercise professional judgment and maintain professional skepticism throughout the audit. We are also:

1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
5. Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. We have obtained sufficient and appropriate auditing evidence of the financial information of the constituted entities of the Company to express our opinions on the individual financial statements. We are responsible for the guidance, supervision and execution of the Company's audits and we are responsible for providing auditing opinions with the Company.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the 2020 financial statements and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audit resulting in this independent auditors' report are Chao-Chin Yang and Chi-Jen Lee.

The accompanying notes are an integral part of the individual financial statements.

Dear the Board of Directors and Shareholders of De Licacy Industrial Co., Ltd.

Opinion

We have audited the accompanying financial statements of De Licacy Industrial Co., Ltd (the “De Licacy Group”), which comprise the consolidated balance sheets as of December 31, 2020 and 2019, and the consolidated statements of comprehensive income, consolidated changes in equity and consolidated cash flows for the years then ended, and the notes to the financial statements, including a summary of significant accounting policies.

In our opinion, which is based on our and other accountants’ auditing results (please refer other matters section) and accompanying consolidated financial statements present fairly, in all material respects, the financial position of the De Licacy Group as of December 31, 2020 and 2019, and its consolidated financial performance and its consolidated cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and International Financial Reporting Standards (“IFRS”), International Accounting Standards (“IAS”), Interpretations of IFRS (“IFRIC”), and Interpretations of IAS (“SIC”) endorsed by the Financial Supervisory Commission (“FSC”) of Taiwan, the Republic of China (“ROC”).

Basis of Opinion

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and auditing standards generally accepted in the ROC. Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Corporation in accordance with The Norm of Professional Ethics for Certified Public Accountant of the ROC, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matter

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the year ended December 31, 2020. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

The descriptions of the key audit matter of the 2020 consolidated financial statements of the De Licacy Group are as follows:

As stated in Note 4.7 Inventories, Note 5 Impairment loss of Inventories, and Note 11 Inventories of the Consolidated Financial Statements, the amount of inventories as of December 31, 2020 amounted to NT\$3,210,797,000 (hereinafter referred to as "Inventories"), accounting for 18% of the total consolidated assets.

Because the carrying amount of inventories is material to the consolidated financial statements, and the evaluation of doubtful and obsolete inventories involves significant management judgment, the evaluation of inventory doubtfulness is considered a critical review.

Due to the book value of inventory is significant to the overall consolidated financial reports, and the evaluation of dull and obsolete inventory involves significant judgment of the management, the evaluation of dull inventory is listed as a key audit item.

We have reviewed the reasonableness of the assessment of inventory obsolescence as follows.

- (1) To understand and evaluate the effectiveness of the design and implementation of the inventory internal control system.
- (2) To evaluate the aging of inventories at the end of the year and verify the correctness of the

ageing of inventories on a sample basis, and then recalculate the appropriateness of the provision for inventory doubtfulness loss.

- (3.) Conduct inventory stocktaking at the end of the year to confirm and evaluate whether the inventory is obsolete or damaged.

Other Matters

The consolidated financial statements included in the consolidated financial statements of Deloitte Touche Tohmatsu, Inc. and its investment in ERA NOUVEAU INTERNATIONAL CO., LTD. Accordingly, our opinion on the consolidated financial statements referred to above, which relates to the amount of the aforementioned investment and its comprehensive income and loss, was based on the audited reports of other auditors. The above investments accounted for by the equity method amounted to \$46,459,000 and \$96,773,000 as of December 31, 2020 and 2019, respectively, representing less than 1% and 1% of the total consolidated assets. The consolidated loss recognized under the equity method amounted to \$50,314,000 and \$28,489,000 for the years ended December 31, 2020 and 2019, respectively, which accounted for (22%) and (6%) of the consolidated total profit or loss.

De Licacy Industrial Co., Ltd. has prepared its individual financial statements for the years ended December 31, 2020 and 2019, and we have issued an unqualified audit report, with additional qualifications for reference.

Management's and Governance's Responsibility for the Consolidated Financial Statements

Management's responsibility is to prepare consolidated financial statements in conformity with the Guidelines Governing the Preparation of Financial Reports by Securities Issuers and International Financial Reporting Standards, International Accounting Standards, and Interpretations and Interpretations issued by the Financial Supervisory Commission, and to maintain such internal control relevant to the preparation of consolidated financial statements as is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management's responsibility also includes assessing the ability of the Group to continue as a going concern, the disclosure of related matters, and the adoption of the going concern basis of accounting, unless management intends to liquidate the Group or cease operations, or there is no practical alternative to liquidation or discontinuation of operations.

The governance unit (Audit Committee) of the Group has the responsibility for overseeing the financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the ROC will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit performed in accordance with auditing standards generally accepted in the ROC, we exercise professional judgment and maintain professional skepticism throughout the audit. We are also:

1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks,

and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Corporation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Corporation to cease to continue as a going concern.
5. Evaluate the overall presentation, structure, and content of the consolidated financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. We have obtained sufficient and appropriate auditing evidence of the financial information of the constituent entities of the Group to express our opinions on the consolidated financial statements. We are responsible for the guidance, supervision and execution of the Group's audits and we are responsible for providing auditing opinions with the Group.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the 2020 financial statements and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audit resulting in this independent auditors' report are Chao-Chin Yang and Chi-Jen Lee.
